

# Inner Wheel Club of Marlow Newsletter March 2020

We were delighted to welcome Liz Norris, District International Convenor to our February meeting. Liz spoke about the District Charity, Women and Girls, and showed a film of the Indian girls helped by the Charity to have free sanitary protection so they don't have to miss school during their periods. We made £75 at the Inner Wheel Day lunch and have been circulating a jar at meetings to collect small change. We presented Liz with a cheque for £220 for Women and Girls, which is also our Club International Charity for the second year running.

Our longest-serving member, Maureen, was able to join us for Pub Lunch at Toad Hall near Henley. A good lunch was enjoyed by 14 of us and we were accompanied by a robin who flitted about the garden centre singing lustily, while outside it was windy with torrential rain.

During lunch we discussed the 90 year old great, great grandmother who is knitting Sandringham House. We felt that perhaps it would be a step too far for most of us – more used to doing 6 inch squares for blankets and Fish and Chip jumpers!

We had a most enjoyable Textile Lunch at Kay's last week with a delicious variety of Pot Luck food. One of us has even been to crochet classes so she can help with finishing the blanket edges – real devotion to IW duty! I managed to take a photograph of all of us, using panorama view and myself in the mirror opposite.

We look forward to the visit from District Chairman Zanni this month. She will tell us about her Charity the National Deaf Children's Society and I am sure something about being Chairman this year. We will also present cheques for £400 each to representatives from Rennie Grove Hospice Care and Marlow Opportunity Playgroup, proceeds from the Bridge Afternoon and Rotary Bridge Night.

Stay well.
